## get involved:

### Welcome to the official Cuddle Party website!

#### ➤ A Cuddle Party is . . .

**A Cuddle Party is:** A structured, safe workshop on boundaries, communication, intimacy and affection. A drug and alcohol-free way to meet fascinating people in a relaxing environment. A laboratory where you can experiment with what makes you feel safe and feel good.

**This playful, fun workshop** has been a place for people to rediscover non-sexual touch and affection, a space to reframe assumptions about men and women, and a great networking event to meet new friends, roommates, business partners and significant others.

**Can Cuddle Party restore your faith in humanity?** It just might. But at the very least, you'll have a great time, and leave feeling relaxed and inspired.
